OUR COMMITMENT

One of nine InterVarsity camps across Canada, InterVarsity Pioneer Camp Pacific is located on Thetis Island. Directed by Brian and Kaycie Burtchett, we are a Christian camp with a 63-year history. Our faith-based community and wilderness setting creates a place where campers grow spiritually, mentally, emotionally and physically. We provide a fun-filled and safe environment, balanced meals, structured activities and free time under the guidance of appropriately screened and well-trained staff.
