

ABOUT US

Summer camp at Cambridge is an educational and fun-filled experience for kids. The summer program mixes Academics, Hands-On Learning, and a variety of fun weekly-themed based activities to keep students engaged over the summer months. Our program is designed to mitigate against summer learning loss while tapping into students' knowledge and interests. One day a week we will be heading out on an outdoor adventure.

A TYPICAL DAY

Morning

The morning involves English and math classes. In English, students review reading and writing skills with help from their teacher. In math, students review topics such as number sense and financial literacy with a variety of games and activities.

Afternoon

In the afternoon depending on the week, students can find themselves learning how to code on Scratch, building robots in robotics, learning to play instruments, and being creative in art class.
