Musical theatre classes, camps, and exciting performance opportunities for youth in the Markham and Scarborough areas!

What We Do

We specialize in **theatre for kids**, and offer exciting musical theatre programs and performance experiences for youth starting at grade one, right through high school. Each ARTSies session culminates in a full musical production on stage! Lights, costumes, set pieces... A true theatre experience! Additionally, we run private vocal and piano lessons throughout the school year to help our students strengthen technique and confidence. Our two-week Summer Camp sessions also end in full stage productions, and are extremely popular (book your spot early)! Whether you're serious about a career on stage, or simply want to try something new, there's a place for you here!

Hi! We're Libby and Joey, the directors. All of our programs are fun, inclusive, educational, and taught by industry professionals (us!). We're known for our infectious love of the arts, thorough

organizational skills, and our deep passion for serving our community with the very best experiences possible.
