ENJOY THE TIME OF YOUR LIFE!**
2020 PROGRAM GUIDE

**OUR MISSION TO PROVIDE AN INDIVIDUALIZED
CAMPING EXPERIENCE RICH IN TRADITION**

DEAR FRIENDS,

It is with great pride that we welcome back our many returning families to what we are confident will be another outstanding summer. We are also thrilled to extend a warm welcome to those of you thinking of joining our Bayview Glen family for the first time. Bayview Glen Camp has been a leader in children's camping since we began 58 years ago. Our goal today is the same as it was then – creating special memories that last a lifetime.

Each season we host over 1,000 families from the Greater Toronto Area, as well as many international families. While our programs have changed over the past 58 years, our industry best camper to staff ratio ensures that every child is still assured the same balanced, inclusive, creative, energetic, caring and safe Bayview Glen Camp experience.

Please call us personally to learn more about Bayview Glen Camp or to arrange a visit to our wonderful campsite in the heart of the city. You'll find a best-in-class facility where your family will develop friendships, make connections and create cherished memories.

We look forward to sharing our 58th camp season in 2020 with your family.

Yours in camping,

Dara Kahane
