# WHO WE ARE?

---

Discover an Unforgettable Summer with International Language Camps in Megève France!

Since 1996, we have been creating more than just holidays: we offer your children memorable experiences that will last a lifetime. Nestled in the heart of the French Alps, our camps combine language learning with captivating sports and cultural activities. Your children will not just learn—they will grow, flourish, and create unforgettable memories with friends from all over the world. In a safe and nurturing environment, they will leave the camp transformed, with lifelong memories and friendships.

**SINCE 1996, WE HAVE BEEN  
CREATING UNFORGETTABLE  
MEMORIES WHERE EXCELLENCE,  
SAFETY, AND FUN COME  
TOGETHER.**

# WHAT MAKES US UNIQUE

- **Creators of Unforgettable Memories:** Your children will return not only with improved language skills, but with friendships from around the world, unforgettable moments, and a true sense of adventure.
- **Excellence and Safety:** Over 25 years of experience organizing international camps, teaching languages, with attentive supervision and uncompromising safety.
- **A Multicultural and Inspiring Environment:** Children from all corners of the globe come together to share a unique linguistic and human adventure.
- In our camp, words become a real bridge between cultures: **WORDS TO THE WORLD**. Thanks to this cultural diversity, every child is enriched by the differences of others. Far from separating us, these differences create strong and lasting bonds, uniting campers in a unique human adventure.

# WHY CHOOSE OUR CAMPS?

01

**Total Language Immersion:** Your children will learn English or French naturally, every day, with passionate native-speaking teachers. In small groups of no more than 8 students, we guarantee personalized attention for rapid progress. Because speaking a language also means experiencing it in everyday life: "LIVE THE LANGUAGE!"

02

**Top-Notch Accommodation:** Our campers stay in a 4-star hotel in the center of Megève, offering both modern comfort and safety. Every detail is designed to make them feel at home. The meals are balanced, delicious, and tailored to each child's needs.

03

**Diverse Activities:** Sports, creative workshops, nature field trips... every day is a new adventure. During activities, children are grouped by age and not by the language, creating natural language-learning situations. Our camps are designed for every child to discover new passions and push their limits, always respecting their abilities. Fun, discovery, and laughter guaranteed!

04

**Safe and Secure Environment:** Nothing is more precious than your children's safety and well-being. With a 1:5 adult-to-child ratio and constant professional supervision, you can rest assured that your children are in good hands. Our camp director is available 24/7 to answer all your questions. Our top priority is to provide an environment where your children feel confident and fulfilled.
