Mr. Ibrahim Baig, M. Ed., OCT

Principal's Message

Established in 2015, at OES we thrive on providing online educational experiences that are thought-provoking from beginning to end. As a Ministry of Education accredited high school we work tirelessly to ensure your journey is filled with opportunities for success. Here are some of our core tenets:

- Honest and integrity
- Support and flexibility
- Experience and Excellence
- Communication and transparency

21st Century Learning

Education for tomorrow, today.

The OES staff represent a group of professionals who have a wide range of experiences in their subject and course design. Teaching and learning in the 21st century requires higher order thinking skills along with fundamental skills, and we strive our best to ensure we are meeting the needs of our learners.

2020 and beyond

Normal isn't normal anymore.

We don't consume content the same way we did 20 years ago, why do we try to educate the same we did 20 years ago? As we look ahead, learning should continue to be dynamic, flexible and supportive. At OES, you will find that the fabric of our teachers and courses are built with that foundations which we hope translates to student success.

About us

Trusted Online High School

5+ years

Year over year we continue to grow. Student success remains our priority.

1000+ students

From different schools and countries, we continue to be a trusted option.

50+ courses

Plenty of options for upgrading, university or college enrollment.

150+ reviews

Supportive and responsive. We're here for you.

Student Success

8/10 of our students achieve 85% or Higher!

You learn at your pace and it works. With supportive staff, on-demand tutoring and flexible course design we put students in the position to do great.

100% From 2015-2020, all students who applied to university or college through OES were accepted.

Review

My teacher was very responsive...

“

This was my first experience with an online course and it was amazing. My teacher was very responsive and marked assignments quickly. My [Principal] was also extremely responsive and helped with any problems I had. It was an extremely streamlined and good experience with the course material and they are updating assignments to even reflect current events going on in the world. Best online school you can choose.

- Sherwin Shewin, Grade 12 student

Review

I would highly recommend OES....

“

The people who run this program are top notch. Any question or concern was answered promptly. Communication between the teacher and [my child] was great. I would highly recommend OES!

- Susan Bertola, Parent

Grade 9 through 12

Our Courses

Your Pace and Schedule

4 weeks or 12 months. You decide.

Critical Thinking

Preparing you for the next step in your journey.

Fully Online

Lessons, assignments, tests and exams — all online.

Interactive Learning

We integrate simulations and labs to supplement the learning process.

Transcripts

We send marks back to your home school and to university and colleges.

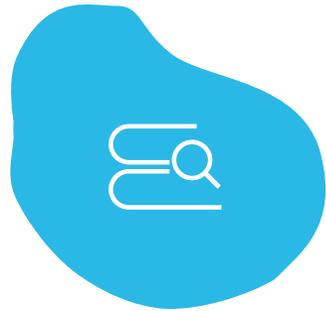

University or College

Upgrade your marks and reach your goals.

Course Enrollment

How does it work?

Enroll Online

Register anytime of the year, it's never too late.

Access Course

Complete lessons at your own pace and schedule.

Complete Work

All required elements such as tests, assignments and quizzes must be completed to ensure expectations are met. 70% of final grade is course work. 30% Final Exam/Project.

Receive Final Report

We send grades to the day school or we can upload to OUAC or OCAS as necessary.

Frequently Asked Questions

When can I begin?

Students may enroll any day of the year and begin their course(s) within 24 hours of registration. Students have up to 12 months to complete each course. This allows students to work at their own pace and schedule while managing their own deadlines. All students are eligible to take courses with our school.

How will I be supported?

We provide qualified and supportive Ontario Certified Teachers (OCT) and all our courses include access to unlimited, on-demand, online tutoring included in the course fee.

Will I need course materials?

Nope! All course content is fully online. There may be courses that require you to visit a library or view a book online but you'll be notified in those cases.

Where will I do the test and exams?

All course exams are written at the convenience of the students. Students may finish their courses and write their proctored final exams online any day of the year from anywhere in the world.

Get the Diploma You Deserve

OSSD Requirements

Like High School, But Online.

With our accredited online high school you earn the same diploma that is being issued to students across the province.

18 Compulsory Courses

Before graduating from high school students must earn a minimum of 30 credits of which they must complete 18 compulsory courses — you can learn more about these requirements on our website.

12 Elective Courses

Within the 30 minimum credits a student must complete they are provided with the option of 12 elective courses. These courses would generally be geared towards post-secondary planning. Our electives can be viewed on courses page.

OSSLT

Students who intend to earn the Ontario Secondary School Diploma (OSSD) must write the Ontario Secondary School Literacy Test (OSSLT). This provincially mandated test is typically completed in Grade 10 but can be completed if entry is afterwards. Those who are unsuccessful can complete the Ontario Secondary School Literacy Course (OSSLC) with OES.

Community Involvement

Before graduating from high school, students must complete a minimum of 40 hours of unpaid community involvement activities. A community involvement package will be provided to students upon enrollment outlining which activities would be permitted that promote community values in a supportive manner.

Ontario Secondary School Diploma (OSSD)

Knowledge is Power.

Earn your Diploma with OES

We offer all compulsory courses and a wide-range of elective courses to meet your academic goals.

Earn your Diploma using Equivalent Credits

Through credit assessments, students have the opportunity to earn their OSSD through credits earned at other schools and credits earned outside of Ontario.

For All Students

College & University Pathways

Science

We offer chemistry, biology and physics at both the college and university level.

Math

We offer all courses needed for technical degree programs at both college and university levels.

English

Great content to support your reading and writing skills.

Social Sciences

A range of electives to help you complete your application requirements.

Guidance

Student Services

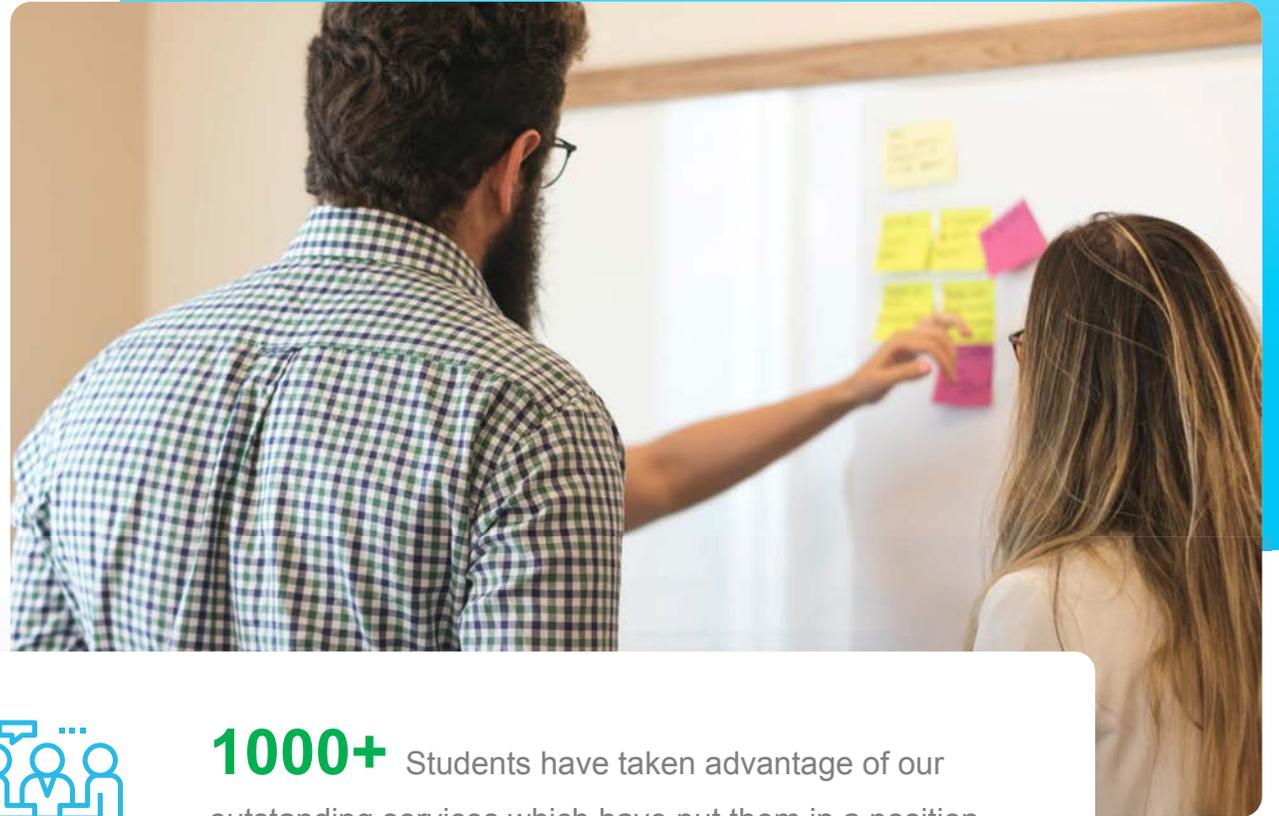

Course Planning

With enrollment, students are provided with support from experienced staff members who understand OSSD requirements and procedures.

Post-Secondary Planning

With enrollment, students are provided with information about college, university and general career planning from our admin team.

1000+ Students have taken advantage of our outstanding services which have put them in a position to succeed. We believe in a whole school experience.

All students welcome

International Students

Apply to Ontario University and Colleges

With an Ontario Secondary School Diploma (OSSD) international students give themselves a better opportunity for admission into top schools and programs. By completing the diploma through OES, there is no need for additional English proficiency assessments for post-secondary application.

Learn from Anywhere.

With online access to courses, complete the work in your time zone without impacting your deadlines.

Apply from Overseas.

Get accepted into outstanding programs and advance your career and future.

Email info@oeshighschool for admission inquiries
