

ST. ANNE'S SCHOOL

ST. ANNE'S SCHOOL

Unlike *Anything* Else!

# Unlike *Anything* Else!

What girls learn at St. Anne's School (SAS) can be shared with the world. You won't just have the foundation to succeed in whatever you do; St. Anne's can transform a young woman's future.

St. Anne's significantly contributes to girls' education and the development of strong, influential, and empowered female leaders. Your daughter will thrive in an inspirational and progressive learning environment that offers a culture of exploration, discovery, and achievement. The school's focus on STEM/STEAM, community giving, leadership, and wellness develop well-rounded, global-minded citizens.

## Why SAS?

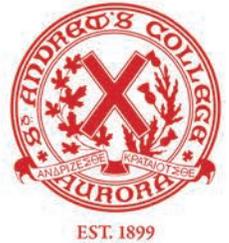

- Our staff has strong knowledge of and passion for girls' education and adolescent development
- We focus on exploration – try your hand at everything and anything
- Priority is placed on student-teacher relationships
- Find your passion and carry it forward
- Girls are inspired and supported to try new things and step outside their comfort zone
- A holistic environment that values and embraces community connections
- A strong connection to the community and surrounding areas; we support organizations through community service and develop students into local and global changemakers
- Innovative and enriched programming
- Extensive academic support
- A focus on the development of leadership skills
- Robust athletics encourage teamwork and the building of positive relationships
- A lifelong love of physical health and wellness
- Unique and empowering co-curricular activities

## Why a school for girls?

- Encourage exploration without inhibition in all areas
- Discourage gender stereotypes through self-discovery
- Develop confidence and encourage risk-taking
- Diminish media-driven expectations
- Promote learning and teaching strategies that support girls
- Inspire an “I can do anything” attitude
- Build leadership capacity
- Foster sisterhood and the promotion of lifting each other up
- Construct self-belief
- Celebrate equity, diversity, and inclusion
- Develop your voice

ST. ANNE'S SCHOOL 

# The best of both worlds – *education's dynamic duo*

Partnerships between single-gender schools are common, but the St. Anne's School / St. Andrew's College model is unique: SAS was created on the foundation and history of SAC, so the relationship between the two schools will be steadfast.

## The schools' partnership ensures:

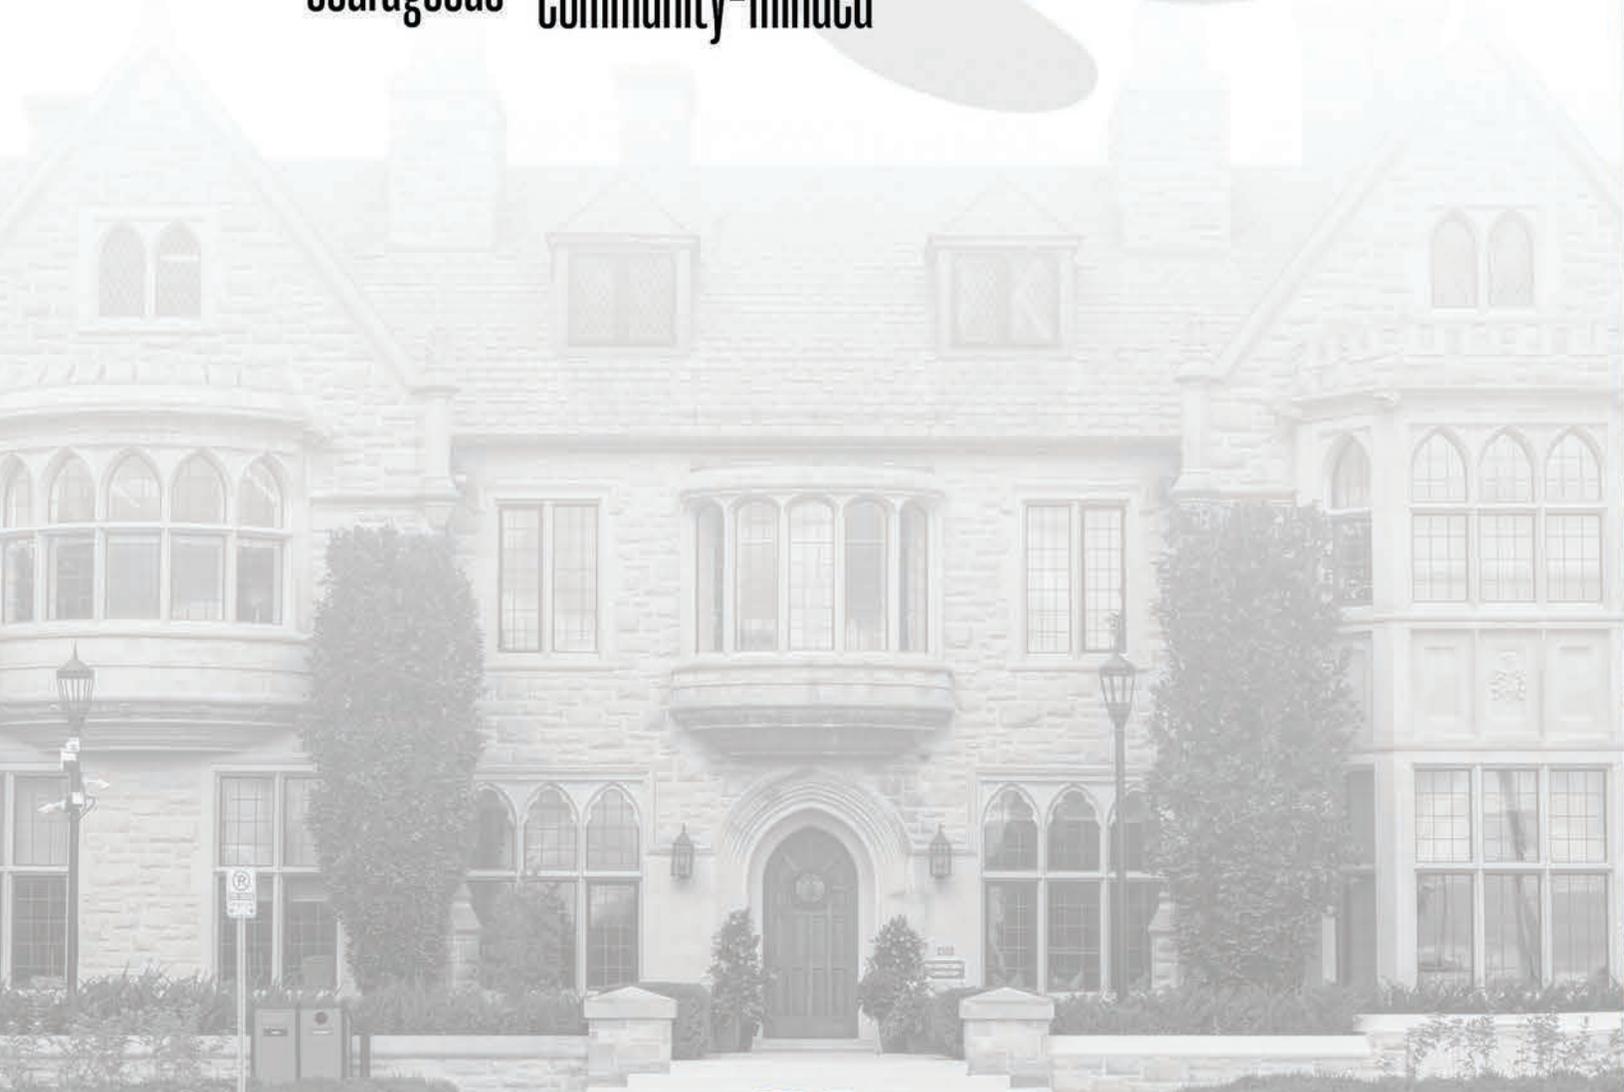

- authentic social opportunities
- exploration and understanding of other genders
- development of comfort in mixed-gender settings
- the ability to listen to other voices and gain new perspectives
- the destabilization of gender stereotypes

## SAC and SAS facilities available to SAS girls

1. SAS Fab Lab; 2. SAC McLaughlin Hall science labs and makerspace; 3. SAS Fitness Studio; 4. SAC Wirth Theatre for the Performing Arts; 5. SAS Gymnasium; 6. SAC Yuill Family Athletic Complex and La Brier Family Arena
