OUR COMMITMENT

Jehovah Jireh Christian School is committed to coming alongside parents to help them fulfill their God-given mandate to nurture their children in the way of the Lord. We do this by using the Accelerated Christian Education program and by providing a godly learning environment that honours the Word of God. To maintain this godly environment, we believe it is important that the parent(s)/legal guardian(s) of each student agree with JJCS's Statement of Faith. We have included our Statement of Faith on page 8 of this document.

A.C.E. PROGRAM

The Accelerated Christian Education curriculum is a Biblical, globally promoted, academic and character-building program. The A.C.E. program focuses on the individual needs of each child and helps them master each concept before moving on to the next concept. Since each child learns at his/her own pace, the A.C.E. educational proceeds at the exact level determined by the child's ability.

Therefore, we require that a diagnostic test is completed by each child to determine what level he/she is at in each subject.

FRENCH, MUSIC + PHYSICAL EDUCATION PROGRAMS

Students learn French by using the Rosetta Stone education program as well as having further dialogue and homework assignments from our French teacher. For our music program we offer individual piano lessons from an RCM certified piano teacher. As part of our physical education program, we offer two units of swimming lessons on-site by a professional lifeguard in our indoor swimming pool. The fees for the piano lessons and swimming lessons are in addition to the cost of tuition.

STATEMENT OF FAITH

1. The Bible to be the inspired and infallible Word of God.
2. There is one God eternally manifested in the person of the Father, Son, and Holy Spirit.
3. In the virgin birth of Jesus Christ, in His vicarious and atoning sacrifice through His shed blood.
4. In His bodily resurrection, in His ascension, and in His personal return in power and glory upon the earth.
5. Regeneration and conversion through faith in Jesus Christ is absolutely essential for the salvation of lost and sinful humanity.
6. Water baptism is not a saving ordinance but is essential in obedience to the Gospel and should be administered by immersion.
7. The gospel includes holiness of heart and life, healing of the body, and a definite personal experience with the Holy Spirit whereby the gifts of the Spirit become active in the life of the believer. This work of the Holy Spirit is for men, women, and children.
8. In the bodily resurrection of believers at the end time and the judgment of all mankind; the just unto eternal life and the unjust into eternal damnation.
9. In the spiritual unity of all believers in our Lord Jesus Christ.
10. In the full function of the five-fold ministry which was given to perfect and equip the saints so they can enter the work of their ministry, thereby edifying the whole body of Christ.
11. Both men and women may be called to serve in church ministry without restriction due to gender. (Rom 16:1-15, Gal 3:26-28, Acts 2:17-18)
12. Marriage is a holy sacrament ordained by God as a union of one man and one woman in covenant relationship. (Gen 1:27-28, 2:23-24)
